Important Information

Issuance of a Rhode Island Controlled Substances Registration is contingent upon registration by the U.S. Drug Enforcement Administration. If denied a "DEA Registration", the Rhode Island Controlled Substances Registration becomes **"VOID"**. Licensed drug facilities and licensed practitioners with prescriptive privileges, cannot dispense, possess, store or ship controlled substances in or into the State of Rhode Island without a valid drug facility or professional license. Rhode Island Controlled Substances Registration (CSR), and a federal Drug Enforcement Administration (DEA) Registration. Practitioners may only prescribe, dispense, possess, and store controlled substances within their particular "scope of practice". "Controlled Substances" for purposes of this application, means a prescription drug in Schedules II through V, pursuant to the Rhode Island Uniform Controlled Substances Act, and 21 CFR 1300 of the Federal Code of Regulations. Schedule I drugs are used by researchers, and require the submission of a protocol.

Without a Rhode Island CSR, and federal DEA Registration, licensed drug facilities, and practitioners with prescriptive privileges, may dispense or possess non-controlled prescription medications under its facility or professional license. A CSR will not be granted to an applicant whose BOARD licensure application is "pending" in this state.

A Rhode Island Controlled Substances Registration must be obtained prior to applying for the DEA Registration. Federal regulations require that applicants comply with individual state requirements prior to issuance of a DEA Registration. Once the CSR is issued, applicants must apply to the U.S. Drug Enforcement Administration for a federal registration using that agency's DEA Form 224 (New Application for Retail Pharmacy, Hospital/Clinic, Practitioner, Teaching Institution, or Mid-Level Practitioner). Applicants may apply on-line for the DEA Registration at the following web site: www.dea diversion.usdoj.gov/drugreg/reg_apps/index.html

*You can also receive an application, or check the status of a pending DEA Registration by contacting the Drug Enforcement Administration at the following location: Registration Unit, US Drug Enforcement Administration, JFK Federal Building, 15 New Sudbury Street, Boston, MA 02203-0131, Telephone (888) 272-5174.
